Traffic Speed To Be Slowed

Following a lengthy discussion of the traffic problem on El Camino Real south of Oak Ave. in what is known as the Five Points area, the city council agreed Monday to comply as soon as possible with three recommendations proposed by Willie Silva, acting as spokesman for a dozen residents of the district who appeared at the council's meeting.

The council will endeavor to have the state extend the 25-mile speed limit, which now ends at Oak Ave., to the south city limits at Charter St.; will investigate feasibility of installing larger globes in street lights there, and will plan to have sidewalks installed when the highway is widened this coming Summer or Fall.

Silva pointed out that in the past 15 years at least one pedestrian a year, on the average, has been killed on the highway; that a count of buildings shows that a 25-mile zone should be established there in accordance with the vehicle code; that there are no sidewalks in the area now and that pedestrians during rainy weather must walk on the pavement.

City Manager Dimmitt revealed that he had recently ordered an amber blinking light to slow down north-bound traffic.

Construction of sidewalks would be impossible until the highway is widened, Manager Dimmitt said, because rights-of-ways must be secured; the grade of the pavement must be established, and several buildings have to be moved.

Mileage-Testing Auto To Come Here

Engaged in an unusual two-month road test of gasoline mileage, the "flag car" of a fleet of 50 1940 Mercury eights will arrive in this community soon, it was reported today by the local Ford dealer, K. B. Towne.

Preparations are under way to greet the automobile with a reception participated in by local civic officials and business men.

The purpose of the run was explained by the dealer in these words: "Most attributes of a car are easily experienced—that is, felt or seen—in a simple demonstration. However, economy must be proved. Inasmuch as economy is one of the Mercury's main points of appeal, and sets the car apart in the low-medium price field, this far-reaching proof is being made."

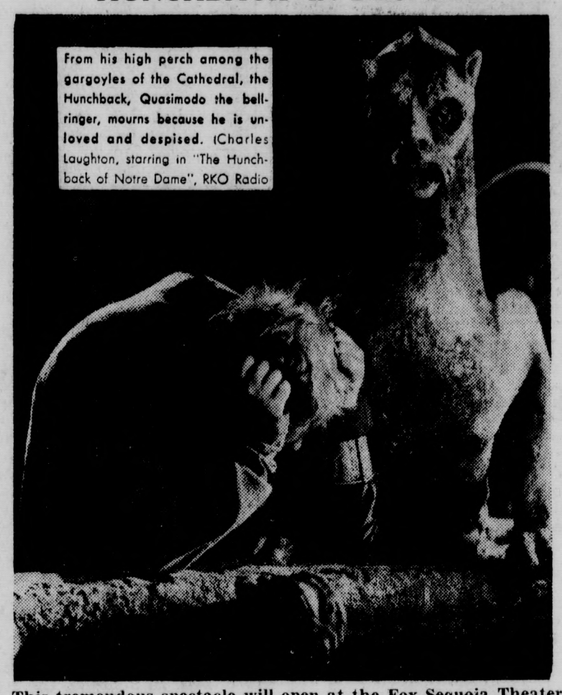

With gasoline test meters mounted on their hoods, so that notarized amounts of fuel can be observed actually feeding the engines, the 50 1940 Mercury eights are conducting their simultaneous tests of economy in cities and towns of Northern California and Nevada. The "flag car" due here is the traveling unit of the economy parade and will visit the entire territory during January and February.

The gasoline mileage test is a nation-wide movement, according to the local dealer, who explained that actual mileage results will be averaged under all variety of weather and road conditions and in this way an official and notarized check made on the numerous encouraging testimonials previously submitted by Mercury owners.

'Jim' Sullivan Dies At Menlo Park Home

MENLO PARK, Jan. 15—Myles (Jim) Sullivan, 60, died today at his home on Ridgewood Rd. His death followed a brief illness. Survivors are his widow, Mrs. Naomi Sullivan; three brothers, Lionel, Charles and Richard, all of Chicago. Funeral services are to be held Wednesday at 2 p.m. at the Tinney Funeral Home.

'HUNCHBACK' IN DESPAIR

From his high perch among the gargoyles of the Cathedral, the Hunchback, Quasimodo the bell-ringer, mourns because he is unloved and despised. (Charles Laughton, starring in "The Hunchback of Notre Dame", RKO Radio

This tremendous spectacle will open at the Fox Sequoia Theater for a three-day engagement on Sunday afternoon.

COUNCIL PLANS TO AID SFPI —IF LOCAL PEOPLE IN FAVOR

An early response to San Francisco Peninsula Inc.'s plea for additional funds from Peninsula cities to carry on a promotion campaign in 1940 was given today by the city council of Redwood City.

Although not voting any funds, since such an action could not be taken till budget time next Summer, councilmen expressed themselves as favorable to appropriating additional money next year for the community advertising group's campaign, and asked service, fraternal, civic and other organizations or individuals to express an opinion on the proposal.

Led by Councilman Paul A. McCarthy, who had attended last week's SFPI meeting in San Mateo where benefits from the 1939 campaign were cited, the council informally agreed as individuals that the advertising program paid large dividends.

Explaining that the program was originally started to prevent the North or East Bay regions from taking prospective citizens from the Peninsula, McCarthy declared:

"The defensive work has been successful; the offensive work should be carried on."

He urged that organizations notify the council if they would approve putting 1 or 1½ cents on the tax rate next year for continuance of the work. During each of the past two years, 1 cent, which raises $1300, has been placed in the rate.

"I'm of the opinion also that we can't go back; that we must go forward," Councilman Evans A. Fletcher agreed.

"I'm of the same opinion," added Councilman Harold F. Anderson. "I've heard more favorable comment for the SFPI program than for any other form of advertising ever used here."

Councilman George W. McNulty and Mayor Louis C. Christensen both expressed themselves as well satisfied with the SFPI campaign. Councilman Robert N. Jones and William Hohn nodded assent.

Dave L. Walter, present in the audience, declared that the real estate board, to which he belongs, also favored such an appropriation.

(For additional city council news, see page 3.)

REYNOLDS JR. FOUND DEAD

HILLSBOROUGH, Jan. 16—Arthur Reynolds Jr., 35, son of the millionnaire Hillsborough banker, was found dead sprawled across his bed in a Los Angeles rooming house last night. When sleeping potions were discovered in his room Coroner Frank Nance ordered an investigation. Reynolds and his wife, Georgia Barmon Reynolds, three years ago were found almost dead in a San Francisco apartment after taking sleeping tablets.

County Now Reported To Lead U. S. Building

BURLINGAME, Jan. 16—San Mateo County leads all counties in the entire United States in new building per thousand of population, 140 county real estate men were told last night as they met at Chartier's in San Mateo for the annual installation party of the San Mateo-Burlingame Real Estate Association.

The building statistics were presented by D. C. McGuiness, Northern California Federal Housing Administration leader, and D. C. Manuel, chief production manager of the FHA.

Warehouse To Be Rebuilt

Two actions which would permit rebuilding of the Pratt-Low warehouse, damaged by a $125,000 fire Nov. 4, and construction of additional buildings there were taken by the Redwood City City Council Monday night.

One ordinance changes the building code to permit repairs to the structure. City Atty. Albert Mansfield explained that while the code permitted rebuilding of structures in the fire zone if damaged by fire, it did not permit similar rebuilding in the district outside the fire zone. The ordinance introduced by the council will remedy this shortcoming in the building code.

The other ordinance, also introduced, permits construction of a one-story building of as much as 30,000 square feet of floor space. Present building laws limit such construction to 12,000 feet.

Attorney Mansfield said that the owners of the structure had asked that such change be made because additions to the building were contemplated. City Manager C. L. Dimmitt explained that the 30,000 square feet were less area than already there, but that present laws did not permit duplication of such structures.

Public hearing on proposed rezoning of the area immediately surrounding the warehouse, located on the railroad at Heller St., will be before the planning commission at 7:30 p.m. next Monday and before the city council a half hour later in a special meeting.

A development of the property, once used as a cannery, is known to be in prospect, but inquiries of the owners have elicited replies that nothing is yet ready to be announced.

FACES NEW CHARGES

E. C. Seguine, 41, former Redwood City garage operator who completed a county jail term on a bad check charge, was taken to Redding this week to face similar charges there. Palo Alto police likewise have placed a hold on Seguine.

New Assistant Named For Ward Store Here

Announcement of the appointment of Wilburn A. Talbot as assistant manager of the local Montgomery Ward store was made today by Manager Bruce Knox. Talbot will fill the vacancy left by Frank Higgens, who was appointed to managership of the Turlock store.

Talbot for the past year has been associated with Whelan Stores Corp. and prior to that for 11 years was with S. H. Kress & Co. For three years he managed the firm's Santa Rosa, San Jose and Oakland stores.

Mrs. Talbot and her 11-year-old daughter, Joan, will join Mr. Talbot in the near future to make their home in Redwood City.

E.P.A. RESIDENT DIES

SAN MATEO, Jan. 16 — Mrs. Edwin Briggs, 73, of East Palo Alto, died this morning at a San Mateo hospital after a long illness.

Morrissey Slated To Head Speakers

Nomination of officers was held by the Toastmasters Club at the meeting following dinner in the social hall of the First Methodist Church Monday evening. Candidates for office for coming six-month term are William Morrissey, president; Dr. Rollo O. La Berge, vice president; Max L. Gelber, secretary-treasurer, and William Henderson, sergeant-at-arms.

Speakers for the evening were Clarence J. Holt, who spoke on "The Old Home Town"; Bruce Martin, "Marijuana"; Milum W. Tackitt, "Photography"; Morrissey, who gave a book review, and Emil Steinegger, who told about "Termites."

Delivery of milk on a house-to-house basis was begun in the Middle Ages. Cows were driven to each domicile and delivery was made on the spot.

New Robbery Charge Faces S. F. Burglar

John Beeby of Burlingame, robbed on Bayshore Hwy. near Millbrae Nov. 12 of $2 and the keys to his automobile, has obtained a robbery complaint naming William Carson, 48, San Francisco burglary ringleader, as one of his three assailants. Carson is the only one of the trio Beeby could identify. Dep. Dist. Atty. Burress Karmel explained.

Capt. James Logan of the California Highway Patrol last week named Carson and Tom Ryan, 19, as two of the four men who held up and robbed him on the same highway at San Carlos.

Karmel said Carson and his associates probably would be tried first on San Francisco burglary charges. San Mateo County will ask that they be held for prosecution on the more serious robbery charges in this county.

Free Lunches For Children

With free hot lunches for undernourished elementary school children offered by the State Relief Administration, local school officials are studying the SRA's new program to determine what steps to take in order to benefit here from the distribution of Federal Surplus Commodities Corp. foodstuffs.

A. C. Argo, Sequoia High School principal, said Mrs. Adeline Overton, school nurse, and Miss Juliane Wolters, vice principal, were making a study to determine how many needy children at Sequoia could take advantage of the commodities.

Andrew Spinas, elementary schools superintendent, said he was doing the same. He pointed to the fact that there is considerable difficulty in accounting where a school has a cafeteria as does McKinley. He thought the program here probably would be under way with the second semester, Feb. 5.

A. N. Paterson, San Mateo County SRA director, said all schools in the county, including high schools, are eligible for the program.

The county SRA director pointed out that, in order to avoid any possible stigma against the children who receive the lunches, identical lunch tags will be distributed to all those who have lunches in the school cafeterias or lunchrooms.

SEQUOIA INSTRUCTORS STUDY AT STANFORD

Eight Sequoia instructors last week took advantage of the first session course in counseling and guidance given by Dr. Harold Hand of the education department at Stanford University. They were Miss Ann Burns, Donald L. Bogie, Mrs. Petra Cooper, Miss Doris Dean, James M. Eva, Miss Louise Watkins, Harvey Hall and John D. Peck. Miss Mary Cowden, Leonard Casanova and Miss Juliane Wolters will take advantage of the remaining 10 weekly sessions of the course.

★ ★ ★

SOPHOMORES SET DATE OF FIRST DANCE

Sequoia sophomores will be hosts to the rest of the school at the class' annual Sophomore Hop Feb. 3. Frohlan Castraneda's orchestra will provide the music. Committee chairmen include Bob Genochio, Kiyoko Kasai, Donna Beth Duncan, Betty Clark, Rosemary Bonnot and Julian Ducray, general chairman.

★ ★ ★

SEQUOIANS WILL BE ENTERTAINED BY OPERETTA

"Margie Goes Modern," a gay, lively operetta written by Otis Carrington, dean of the music department at Sequoia, will be presented by members of his C Clef Club at a school assembly Thursday. Proceeds will be used to purchase emblems for C Clef members. Lenora Belanger, a sophomore, will sing the title role of Margie.

★ ★ ★

CO-EDUCATIONAL SPORTS NIGHT SLATED

First social activity of the semester, which begins Feb. 5, will be a co-educational sports night, scheduled for that evening. A sports dance and various athletic activities are on the program.

★ ★ ★

AFTER-GAME DANCE SET FOR FRIDAY

Following this Friday night's basketball game at Sequoia High School, the Block S Society will be hosts at a dance in the girls' gymnasium at which the Castraneda Cavaliers will play. Admission is 35 cents for either couples or singles.

CELEBRATION BEFORE 1940'S FAIR PLANNED

Plans for a 1940 pre-exposition celebration somewhat similar to the event of last Spring preceding opening of the 1939 Golden Gate International Exposition were begun today by the Redwood City Recreation Commission and Recreation Director Alfred (Red) Morton following the granting of permission for such a fete by the city council Monday night.

Morton asked, and secured, approval of a celebration to be held before the start of the fair in May, explaining that there would be no cost to the city or local merchants.

Profits from the venture would go toward the Recreation Center building fund, Morton said.

A repetition of the queen contest and whiskerino may be held, Morton indicated, but said that complete plans had not as yet been worked out.

'Valentine Potato' Found in Sack Here

Even cold, dull things like potatoes get romantic once in a while, and Mrs. Myrtle B. Appy, of Francis Ln., Redwood City, found the proof in a sack of potatoes she purchased last Saturday.

One of the spuds, right in keeping with rapidly-nearing St. Valentine's Day, had grown into a perfect heart shape about three inches in height and width and an inch and a half through.

MENLO PARK NEWS

FREDERICK ROURKE PASSES

MENLO PARK, Jan. 19—Frederick W. Rourke, a veteran of the late war, was buried from the Church of the Nativity Wednesday. Interment was in Holy Cross Cemetery, Menlo Park. Mr. Rourke was born in New York 70 years ago. In his younger years he was interested in politics in his native city, holding many postions of trust. Mr. Rourke went to France with the American army and served there during the war. He came to California soon after and until his retirement some years ago had charge of a department at the Veteran's Hospital here. Mr. Rourke is survived by his wife, Mary W. Rourke, a daughter, Mrs. Valentine Spencer of Palo Alto, and a son, Frederick W. Rourke Jr. of Chicago. The deceased was a genial man beloved by a large circle of friends.

The Southern Pacific Co. is becoming generous lately. It is pointing the ancient depot a bright yellow. A new building is sorely needed to replace the old shack built in 1869.

This season has been an exceedingly peculiar one in that it brought no toyon berries, no flight of wild pigeons and no robins. Old timers recall that this condition has not existed here for many years. Maybe the Democratic Administration has something to do with it.

Mrs. Catherine Hawkins (Nee Maloney) is undergoing treatment at the Pal Alto Hospital. She is recovering from an operation performed this week. The beautiful nurse has many friends on the Peninsula who will be pleased to learn of her recovery.

Harry Albright, a well known resident of Menlo Park, is quite ill at a San Mateo hospital. Mr. Albright has been ailing for some years and was removed to the hospital some time ago. He is the father of Harry Albright, the noted jockey who won many races on the eastern turf last year.

A large locust tree on Oak Grove Ave. near the White Estate toppled and fell during the recent storm. It is among the last of the large row of locusts planted in 1870 on both sides of the street by the late F. Meyer, capitalist.

Mrs. Thomas Harrington is fully recovered from an accident that occurred last wee when the automobile in which she was riding collided with another machine. She was on her way to visit her daughter in Oakland when the mishap took place.

There is a big head of water in the San Francisquito Creek. A large run of salmon has been started for the headwaters to spawn. A state game warden is watching the stream for poachers.

The Scottish and British Societies of the bay region will gather in the Palo Alto Masonic Temple on Friday evening, Jan. 26, to do honor to the memory of the Scottish poet, Robert Burns. The evening will be spent with song, story and dancing. A splendid program has been arranged by Kelvingame Lodge, Daughter of Scotin. Mr. James Reed, chief of Clan Frazer, will lead the entertainment. Robert Burns Ramsey will assist as floor manager. "Come to Yer Ain Folk."

County Civil Service Plan Nearly Ready

The San Mateo County Civil Service Commission has presented to Atty Edmund Scott a part of its plan for a charter amendment to establish civil service for San Mateo County employes, the attorney announced here. The plan calls for qualification examinations for all present employes, Scott said, which would amount to blanketing in the present personnel. Future employes would be faced with more strict examinations, he said. The commission met last night and expects to finish its work in April.

Laurel and Hardy Fall For a Foreign Legion Queen of Hearts!

It's terrible to what length some men will go—and here's Oliver Hardy actually flirting with Jean Parker while Stan Laurel beams approval—the same being a scene from the comedy duo's latest picture, "The Flying Deuces," feature that is now playing at the Redwood.Companion feature is "Danger on Wheels" starring Richard Arlen and Andy Devine.

NEW BUSINESS IS REJECTED DESPITE OFFER OF 'SAMPLES'

Always after new business—

Yet the Redwood City City Council Monday turned down a plea to permit a new venture to be launched here.

And by so doing, the council may have invited a court suit.

But councilmen didn't seem to care, for the proposed business was that of phrenology, and despite elaborate explanations and even offers of demonstrations on individual councilmen or Police Chief C. L. Collins, the official board declined to issue a permit for establishment of the business here.

Applicant was John Williams, bushy-browed, husky stranger who explained that he recently had left Fresno after a two-year run there, had operated in Bakersfield and other cities, and now desired to set up a place of business in Redwood City.

'NOT FORTUNE-TELLING'

Only hitch, he confessed, was that City Atty. Albert Mansfield told him he came under the fortune-telling ordinance that required payment of a $100 a day license fee.

But phrenology — "character analysis according to the size of your faculties" (Webster calls it "the hypothesis that mental faculties and traits of character are shown by the conformation of the skull")—is not fortune-telling, Williams maintained.

Frankly admitting he had had trouble before in convincing councils they should grant him licenses, and that his "profession" was often referred to as "humpology," the jovial Williams pleaded his case at length, and even offered to demonstrate his wares.

But amid much laughter, Chief Collins shied away and councilmen appeared bashful too.

"My business would be located in a storeroom where all could see," Williams pleaded. "Give me a 30-day trial, or even two weeks, and if you don't think my business is all right, I'll close up."

SURVIVED OTHER TESTS

Explaining that he desired no trouble, he nevertheless said that in other cities he had opened up without paying the fortune-telling license and had survived court tests designed to prevent his operation.

"If I don't get a permit, I will see my attorney and determine if I can open up without a license," he said.

Councilman Paul A. McCarthy accepted the challenge.

"If the court tells us we're wrong, that's another matter," he countered.

"Well, I guess we'll have to go to court," Williams replied when no councilman would move to grant him a permit.

"All right," he added, "if you boys don't want to be sports, all right."

And from the back of the council chambers, he again used his favorite expression "boys."

"Well, good night, boys," he shot as he left the room.

TWO HURT IN SMASHUP

SAN MATEO, Jan. 16—Kenneth Mobley, 22, Monterey jeweler, and Mrs. Lottie M. Nutter, 49, Monterey, suffered serious injuries last night when their southbound auto crashed into a highway-dividing island south of here. Mobley incurred a fractured pelvis, cuts and bruises; Mrs. Nutter, possible back fracture and other injuries.

Food Stamp Plan Approval Sought Of County Board

Keith Southard, assistant to the regional director of the Federal Surplus Commodity Corp., announced plans here to extend to the entire Bay Area the stamp system of distributing surplus food to the needy. The plan is now operating in San Francisco and will be started in Los Angeles Feb. 1.

Southard asked the board of supervisors to approve the plan and request its application to San Mateo County. He was referred to the health and welfare department with assurances that the board would be guided by the department's advice.

The stamp plan, Southard explained, is a method of channelling surplus farm commodities through the corner grocery store to families on relief. It would eliminate the current surplus food commissary which operates in the courthouse basement.

While the benefits are primarily to the farmer, the stamp plan also improves the diet of families on relief and increases the amount of business done by the ordinary retail and wholesale food trade, Southard stated.

He emphasized that the plan is entirely voluntary, both as to communities served and with individual relief clients. Persons certified by the county as relief clients could purchase from $4 to $6 in orange-colored food stamps monthly. These stamps may be used to purchase all commodities at any grocery store which desires to co-operate with the stamp plan, liquor and tobacco excluded. In addition, the relief clients would receive 50 per cent more in free, blue-colored stamps good for surplus commodities only.

Funds already set up by the federal government for direct purchase of surplus commodities would be used to redeem the blue stamps, Southard explained. A revolving fund would be set up to redeem the orange stamps. Once set up, this fund would always be in balance.

Santa Clara County has made urgent request for extension of the stamp plan, he said.

Other transactions of the board of supervisors:

Heard the protest of Frank A. De Patta against temporary sheds being erected at the county corporation yards, Broadway and Spring St., Redwood City, as detrimental to the development of the area. His protest was referred to the county engineer.

Referred to the district attorney the request of the San Mateo City Council for a $1200 appropriation to defray costs of a new sewer system to serve Community Hospital and adjacent areas.

Sold to Lawson, Levy & Williams a $36,000 Half Moon Bay Elementary School bond issue on its low bid of 3 per cent interest and $162 premium. There were four bidders.

Referred to the engineer the request of Thomas L. Hickey, member of the San Mateo County Traffic Safety Commission, a request to install sodium vapor lights at the Millbrae Ave. intersection with Bayshore Hwy.

Total seating capacity of the motion picture theaters in the United States is slightly over 10,000,000.

GE Refrigerators Have Many Models

Models for every need and budget are the keynote feature of the new 1940 line of General Electric Refrigerators now on display at Hull Bros. Hardware, Main at Broadway.

For those who are looking for the best buy in refrigeration, and who want the quality of a General Electric refrigerator at a low price, the G-E Thrift Series is the answer. Beneath the gleaming white glyptal surface of the Standard is a sturdy cabinet of all-steel construction and all the features of General Electric refrigeration. The Deluxe glyptal and porcelain models are the finest refrigerators money can buy, combining the latest advances in practical convenience features with a new high in refrigeration beauty.

General Electric's Selective Air Conditions method of storage provides the best combination of food preservation results at the lowest cost, and with the simplest and most practical design. The introduction of Humidity control is an added refinement to a method of food preservation. Other features are stainless steel sliding shelves, finger tip latch, illuminated control dial, stacked compartments, and an improved quick tray for easy removal of ice cubes.

Suspended Sentences Given Lottery Heads

OAKLAND, Jan. 15 — Police Judge Chris Fox today held promises from seven heads of the "Pressroom Monthly" lottery that they would not again engage in the lottery business.

The promises were extracted in return for suspension of jail sentences when Judge Fox fined leaders of the lottery, raided recently, a total of $8050.

Jess Hines of San Francisco, described as operator of the lottery, was fined $3000 and given a suspended jail sentence of 180 days. A. E. Johnson, identified as the major East Bay distributor of the far-flung lottery, was fined $1700 and given a 90-day suspended jail sentence.

Other fines imposed ranged from $800 to $100 and were against minor salesmen and distributors.

School Employes Seat New Officers

New officers of Sequoia Chapter, California State Federation of School Employes, are R. B. Fodrea, president; D. C. Graham, vice president; Miss Frances Mackin, secretary-treasurer. They were installed by Donald L. Bogie at a banquet in Sequoia High School Cafeteria at which Retiring Pres. Frank Goldthwaite presided.

Health District Plan Proposed

San Mateo County today stood officially on record indorsing the 1940 World's Fair in a resolution adopted at an adjourned session of the board of supervisors Tuesday afternoon. The resolution requested the state to appropriate additional funds for the exposition, and requested the California Commission, which disburses the state funds, to include in its budget sufficient to cover costs of operating the county buildings in 1940.

When the board received the county financial report from County Controller Thomas J. Kane, Supervisor Fred E. Beer discovered it contained no statement of the unbudgeted reserve account.

Declaring that the reserve fund was the most important in the treasury, Beer moved that the controller be requested to furnish the supervisors at every regular meeting a report on the condition of the reserve, and that the fund be included in all future reports from the controller.

The controller explained today that the report on the unbudgeted reserve would be available only after tax funds had been apportioned.

URGES HEALTH DISTRICT

Only flareup from the morning's spirited discussion of the public health situation in the county came from W. E. Pitschke, Coastside newspaper publisher.

Pitschke suggested that the supervisors appoint a committee to propose an amendment to the charter to permit formation of the county public health district proposed in the United States Public Health Service report.

"You are going to have this quarreling forever and a day," he warned. "The people are becoming thoroughly disgusted and dissatisfied with all this unfavorable publicity."

RESIGNATION ACCEPTED

In other transactions the board:

Accepted the resignation of Maj. H. W. Edmonds, Redwood City, as a member of the traffic safety commission, with regret Recommendation of Redwood City American Legion Post that L. E. Wolbert be appointed was referred to the commission.

Transferred $1000 from the Clark-McNary fund to finance CCC workers erecting a forest service telephone from La Honda Summit to Pescadero.

Refunded lighting district maintenance taxes to 10 cemetery corporations.

Approved sale of two lots in Half Moon Bay Colony for $20 each, minimum bid offered by San Francisco Bank. Supervisor John Lynch explained the sale had been requested prior to the board's current investigation into sales of delinquent tax lots.

Transferred $5000 to pay for care of county tuberculosis patients in private sanatoriums.

SAN MATEO, Jan. 15—Ralph Reed, 63, Belmont, died in a San Mateo Hospital this morning after a long illness. Funeral services are pending at Halstead & Co., San Francisco.

SUMMONS
No. 30803

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court.

ELLEN IRENE SODERSTRUM, Plaintiff, vs. ROBERT B. SODERSTRUM, Defendant.

The People of the State of California Send Greetings to: ROBERT B. SODERSTRUM, Defendant.

You are hereby required to appear in an action brought against you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this Summons, if served within said county, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Witness my hand and the Seal of the Superior Court of the State of California, in and for the County of San Mateo, this 6th day of January, A. D. 1940.

(SEAL)

W. H. AUGUSTUS, Clerk.
By MURA B. STILLESON, Deputy Clerk.

S. F. Firm Expands Onto the Peninsula

SAN MATEO, Jan. 15 — Presenting further tangible evidence of the growth and importance of the Peninsula, a large San Francisco firm, the John Breuner Co., will open a Peninsula Branch Store at 43 Third Ave., San Mateo, tomorrow.

Emile H. Letroadec, associated with the firm since 1901, will be manager. He has lived on the Peninsula for 33 years.

In announcing opening of the store, John Breuner, head of the firm, explained that the primary aim in establishing of the branch was "to provide a more specialized service for the discriminating clientele of the Peninsula."

"A staff of assistants, each an expert in his field, will aid Manager Letroadec in supplying personalized service to Peninsula residents," Breuner declared.

Breuner said the decision to establish the Peninsula branch was actuated by the firm's confidence in the future growth of the entire Peninsula community. A large part of the store will be devoted to a gift department. Interior decorating also will be a specialty.

A hill of sweet potatoes weighing 42 pounds was dug not long ago on the Regier ranch near Shafter, Kern County.

Frederick Rourke, M. P. Resident, Dies

MENLO PARK, Jan. 15—Frederick Rourke, member of pioneer contracting family and Menlo Park resident since his retirement from the U. S. Veteran Administration Facility in 1933, died yesterday in Letterman Hospital, San Francisco. He was 70.

Survivors are his widow, Mary; his son, William F. Rourke Jr., Ohio; his daughter, Mrs. Valentina Spencer of Palo Alto; two grandchildren and two sisters.

Funeral services will be held from the Tinney Funeral Home Wednesday at 9 a.m. and thence to the Church of the Nativity for mass. Burial will be in Holy Cross Cemetery.

BOOKED ON BATTERY COUNT

Carl J. Stacklund, 34, a soil chemist living in Belmont, was booked at the county jail on a San Jose battery warrant and released Tuesday afternoon on $50 bail.

Auto Turned Over on Top

Two women were injured, one possibly seriously, in a two car collision at 2:32 p.m. Sunday at Brewster Ave. and El Camino Real. The collision was the most serious of four auto mishaps which occurred within the Redwood City city limits Sunday.

The injured were **Mrs. Thomas Harrington,** 65, of 1126 Pine St., Menlo Park, who received a severe scalp bruise, with a possible skull fracture; and **Mrs. Charles B. Gregory,** 44, Oakland, who suffered abrasions to both knees.

Mrs. Harrington and Mrs. Gregory, both passengers in an automobile driven by Charles Gregory, 41, were hurt when their machine collided with one driven by Charles R. Anderson, 51, 1903 Hopkins Ave., Redwood City.

NON-INJURY ACCIDENTS

Redwood City officers reported Anderson was going east on Brewster Ave., had stopped at the El Camino Real intersection, and was struck by Gregory's northbound car. Anderson's machine, badly damaged, was turned over on its top. The left front of Gregory's vehicle was caved in.

Other non-injury accidents:

At 11:40 a.m., Brewster Ave. and El Camino Real, collision between machines driven by Henry Guernsey, 17, Palo Alto, and E. Sironi, 726 Allerton St., Redwood City.

At 5:43 p.m., El Camino Real and Montgomery St., rear-end collision involving cars driven by Robert Wallace, 17, San Mateo, and Dorraine M. Heath, 21, San Francisco.

At 6:15 p.m., at Roosevelt Ave. and El Camino Real, a four-car collision as a result of a traffic pileup, involving machines driven by Helen Wright, 39, San Mateo; Emmett E. Leggett, 40, San Francisco; Eleanore C. Ryan, 42, Leland Ave., Menlo Park, and Gladys M. Cooke, 37, San Francisco.

JOHN FOYLE INJURED

John Foyle, 39, Redwood City, suffered a possible broken shoulder when his car turned over on Stephens Creek Rd. at Hoo Hoo hill. Foyle was taken to O'Connor Sanitarium, San Jose.

Alexander Greer, 65, 414 Laurel Ave., North Palo Alto, a pedestrian, suffered scalp wounds and a compound fracture of the left arm last night. He was struck by an automobile driven by Harold Buckingham, 29, 479 Park Blvd., Palo Alto, on Bayshore Hwy. at Willow Rd. Greer was transferred to Community Hospital after treatment at Palo Alto Hospital.

A Palo Alto family of three was injured Saturday night on Bayshore Hwy. at East Palo Alto when their machine crashed into the rear of the auto driven by Hugh Drury, 71, of the San Mateo Polo Club, who was unhurt. **Leonard Cleland,** 34, 540 Columbia St., Palo Alto, suffered cuts on his head and hands, one of which, on his nose, required several stitches to close; his wife, **Lillian Mabel,** 27, suffered a fractured jaw and loss of several teeth, and their 2-year-old baby, **Gloria Ann,** suffered a cut finger. Highway Patrolmen Manfred Walzburg and Harold Varni reported.

Thomas Fuller, 17th century English historian, could drive through London and back again over the same route and then remember each sign he saw on the streets during the trip.

Let's Help FINLAND

HELEN HAYES, one of America's foremost actresses, posed for this poster to aid the Finnish Relief drive headed by former president Herbert Hoover.

CALIFORNIA DRIVE

J. Frank Grimes, IGA president and Betty Roberts, housewife, meet the twin citrus-cotton surplus problem with smiles. The former explains that his organization plans a nation-wide campaign between Jan. 19 and Feb. 15 to move 1,000 cars of oranges and grapefruit, packed in cotton bags, into consumption, reducing both the state's citrus surplus and the South's cotton oversupply in the same drive. The millions of bags to be used are cotton products.

Hours on Woodpile Assigned to Gridder

PALO ALTO, Jan. 17 — Norm Standlee, Stanford football fullback, may get his Spring training on the woodpile.

He was sentenced to spend 100 hours working on the municipal woodpile after he pleaded guilty yesterday before Police Judge John E. Springer to charges of driving while intoxicated. He was arrested early last Saturday after his car failed to negotiate a turn and crashed into a vacant field adjacent to the Southern Pacific tracks.

90-Day Jail Term Given Check Artist

Manuel Fenona, 39, 519 Poplar Ave., Redwood City, was sentenced to 90 days in jail by Judge A. R. Cotton this week on a check charge. The jail term was a condition for a two-year probationary period. Fenona will be required to make good $63 in outstanding checks.

Frank McMahon, 22, held on a Daly City morals charge, was denied a motion to enter a plea of not guilty by reason of insanity. He was taken to the state hospital at Ukiah Sept. 2 and returned to the county jail Dec. 1. He asked probation and the case was continued one week.

Verne Fleck, 42, Coastside tavern proprietor charged with being an accessory to the escape of Ray Thompson from a Folsom prison camp, harboring him, aiding him and concealing him, was arraigned in superior court. Nate Coghlan, Fleck's attorney, filed a demurrer to the superior court complaint, declaring it did not conform to legal requirements and failed to cite specific acts. Arguments on the demurrer were set for Jan. 29.

It was at Fleck's tavern that Ray Lagomarsino and Leo Tyma were killed Nov. 1.

Mrs. Goulet Dies After Long Illness

Mrs. Mederise Goulet, 67, 242 Roble Ave., Redwood City, died at a San Mateo hospital early Monday after an illness of eight months. She was a native of Quebec, Canada.

Mrs. Goulet had lived in Redwood City since 1927. She was the widow of George Goulet and the sister of Philip Moquin and Alfred O. Moquin, both of Redwood City.

Christensen, Call Directors

With one more county — San Francisco — as a member, the Mission Trails Association began a new year Monday under the leadership of Fred E. Beer of San Mateo as president.

Beer, a San Mateo County supervisor who served as first vice president last year, was elevated to the presidency at the association's annual convention at Santa Cruz at the closing session Saturday afternoon.

Directors named were Mayor Louis C. Christensen and Assemblyman Harrison W. Call of Redwood City, for San Mateo County; Carl Seneker and Philip Palmer for Santa Clara County; H. Ray Judah and H. G. McBain for Santa Cruz County; Claude Arnold, retiring president, Victor Ward and Fred Kimball of San Luis Obispo County.

SAN LUIS OBISPO WINS

Vice presidents elected were Judah, McBain, Chris Jesperson and Robert Easton.

San Luis Obispo was chosen as 1941 convention city.

The association went on record as asking the state to maintain and operate the Mission Trails Building on Treasure Island during the 1940 fair.

The executive board took action to accept San Francisco's contribution of $1250, in consideration of which "Treasure Island is declared the northern terminus of the Mission Trails and San Francisco the ninth county member." The association previously had been holding out for $5000, declaring the San Francisco appropriation a mere token payment.

MAY ASK HIGHWAYS

Ray Judah, ex-chairman of the state highway commission, advocated that counties unite to secure road improvements.

"We, through the Mission Trails Association, are now a united nine counties that can apply to Sacramento for new highways," he said. "We are a united highway unit running through the eight central coast counties from San Francisco to Los Angeles."

Election of Beer came despite prospects a county supervisor would not be named president because funds for the association are supplied by counties through boards of supervisors.

O.K.'d BY ATTORNEY GENERAL

Beer had left for the convention with the "firm determination" not to accept the presidency because of legal difficulties raised by possible conflict between his post as supervisor and the association presidency.

However, an opinion by Atty. Gen. Earl Warren, asked by state legislators attending the convention, cleared away the difficulty. Warren said that it was not only legal, but advisable, that the president of the association should be a supervisor. Then, he pointed out, the supervisors are given representation to see that money appropriated for a given purpose is spent for that purpose.

Beer was particularly pleased with the formation of the new newspaper and highway units of the association.

TO SEEK WIDENING

"With this highway committee, we will now be able to put up a united front for the entire Mission Trails area on highway matters," Beer stated today.

"This will be much better than having each local group fostering its own particular benefits."

Beer stated that the prime objective of the highway committee will be a united effort to get El Camino Real widened from Redwood City to Palo Alto.

He considered it regrettable that Santa Clara County has withdrawn from all participation in the World Fair. "I guess it's their business, however, and there's no use our saying anything about it," he commented.

Beware Coughs from common colds That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to loosen germ laden phlegm, increase secretion and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding that you are to like the way it quickly allays the cough or you are to have your money back.

CREOMULSION
for Coughs, Chest Colds, Bronchitis

Nucoa "Cake and Cookie Carnival" Brings Cookie Jar Into Its Own

FOREVER and a day, cookies have been the favorite snack of young and old alike—and a well-filled "Cookie Jar" has long been veritably an American institution.

All too frequently, however, keeping Ye Cookie Jar filled against ravenous demands is not so simple as it might seem. But with the help of the Nucoa "Cake and Cookie Carnival" now being featured by leading merchants throughout the town there's every reason why the Cookie Jar should soon be brimming with a legion of tasty morsels.

Cookies like those featured in the Carnival are easy to make, surprisingly economical and so delicious! The creamy shortening with that "spread for bread" flavor makes them so. Here are a few sample recipes. Your favorite food merchant is featuring the ingredients this week.

Old-Fashioned Sugar Cookies

1 cup New Nucoa
2 cups sugar
2 eggs
3½ cups sifted all-purpose flour
4 teaspoons baking powder
½ teaspoon salt
1 tablespoon milk
½ teaspoon vanilla
½ teaspoon lemon extract

Cream Nucoa thoroughly. Add sugar gradually and cream together until light and fluffy. Add eggs and beat thoroughly. Sift flour once, measure, add baking powder and salt and sift together three times. Add flour mixture and mix thoroughly. Add milk and flavoring. Chill. Turn on floured board; roll very thin, cut into fancy shapes with floured cutter. Decorate tops of cookies with sugar, colored candies, finely powdered walnuts, almonds, whole blanched almonds and raisins. Bake on well Nucoa-d cookie sheets, or on bottom of inverted pans in a moderately hot oven (375° F.) ten minutes, or until done. Watch that they do not burn! Yields: approximately 10 dozen 3-inch cookies.

Date and Nut Cookies

½ cup New Nucoa
2 cups brown sugar
2 eggs
3½ cups sifted flour
2 teaspoons baking powder
½ teaspoon soda
1 teaspoon salt
1 cup nuts, chopped
1 cup pitted dates, chopped
1 teaspoon vanilla

Cream Nucoa thoroughly. Add sugar gradually and cream together until light and fluffy. Add eggs and beat well. Sift flour once, measure, add baking powder, soda and salt and sift together three times. Work into creamed mixture. Add flavoring, nuts and dates. Form dough into rolls two inches in diameter. Wrap in waxed paper and chill. Slice ⅛ inch thick and bake on Nucoa-d cookie sheet in a moderately hot oven (375° F.) 8 to 10 minutes, or until done. Yields: 10 dozen 2-inch cookies.

Local Cat Captures 3 Trophies at S. F.

Participating in only his second show, Little Duke of Bours Park, 2-year-old Chinchilla Persian cat owned by Mrs. C. H. Wakefield of Palomar Park, Redwood City, captured three trophies at the Pacific Club's cat show held in San Francisco over the weekend.

The cat won a 12-inch gold cup and two smaller trophies for being "best opposite sex" in the show, "best opposite sex" in Chinchillas, and "first and winners." The pet had won a blue ribbon at the Treasure Island show last year.

The Albanian flag has on it an eagle with two heads.

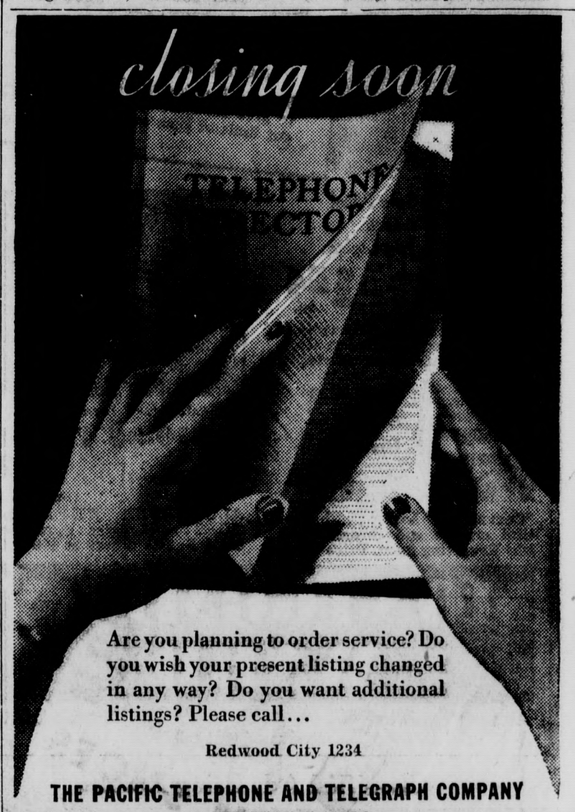

M. P. Theater Guild Plans Early Debut

MENLO PARK, Jan. 16 — The Menlo Theater Guild will make its debut Feb. 2 with a bill of three one-act plays in the auditorium of the Menlo Park Central School.

With 50 members paid up and as many more signed, the Guild last week formed a non-profit, non-political organization, and adopted constitution and by-laws. Mrs. Robert Padley presided.

Casts will be selected at once and work started on two comedies, "Not Tonight, Josephine" and "Stir Well and Mix," and one thriller, "The Short Cut." Tickets will go on sale soon. Prices will be 35 cents for adults and 20 cents for children.

L. L. Sise of Palo Alto, who has had professional experience, will direct the Guild productions.

Chest Exceeds Previous Year

Expected to exceed last year's total by $400 when all is accounted for the Community Chest drive of 1939-40 to date has produced $8932.79, according to J. A. Buhler, treasurer. Last year's total was $8602.77.

"There are a few people to be heard from yet," Buhler declared. "About $60 or $70 is outstanding from persons we were not able to contact originally."

Campaign Manager F. Edmund O'Connell said that of the $8619.79 collected as of Dec. 1 the following groups had contributed:

Residential	$1830.16
Advance gifts	3545.00
Business houses	1202.13
City employes	162.50
County employes	229.00
Professional men	261.00
Industrial employes	19.50
Sequoia High School	607.50
Elementary schools	320.50
Clubs and organizations	442.50

Since Dec. 1, the remainder has gone directly to the treasurer and has not been segregated, O'Connell said.

Dr. Ray McClinton Heads County Dentists

Dr. Ray McClinton of Burlingame is the new president of the San Mateo County Dental Society, succeeding Dr. G. I. Snell of San Mateo.

He was elected Monday night at a dinner held by the society at the Spot Lite Cafe in Millbrae.

Other officers for 1940 are: Dr. Caston Pope of Belmont, president elect; Dr. T. C. Peterson of San Mateo, treasurer; and Drs. H. J. Volonte of San Mateo, Wallace Bachelder of Millbrae and L. H. Guy of San Mateo, directors.

HIGH FROSTING

When you want your boiled frosting to stand high, soak a teaspoon of gelatin 5 minutes in a tablespoon of cold water and put it into the hot sugar syrup when it is taken off the stove ready for the egg whites.

Ronald Tooker Falls in Well

Sorrowing parents and grandparents on Tuesday buried three-year-old Ronald Tooker, victim of a tragedy which nearly claimed the life also of his 7-year-old brother, Raymond.

Little Ronald, enjoying one of the first days in the sunshine which he had had in some time, was playing Sunday at noontime with Raymond around an abandoned well pit on property adjacent to that of his parents, Mr. and Mrs. Floyd L. Tooker of Graceland Ave., in the hills west of San Carlos, when in some manner he fell in.

As the tiny youngster went under the water which had accumulated several feet deep in the pit from the last rains, Raymond, with almost incredible heroism for a child so young, plunged in after him.

Shouting as he did so, Raymond strived to reach his brother, but failed. Exhausted and badly chilled from immersion in the cold water, Raymond managed to climb out onto the bank.

Still calling, he finally attracted attention of Lawrence Bullis of 2011 Roosevelt Ave., Redwood City, who was pruning trees nearby. Bullis, realizing that cries of the youngster which he had at first interpreted as those of a child at play had turned to screams of terror, ran to the well.

"I heard the boy's screams," he said afterwards, "but thought they were in play. When they continued, I suddenly realized someone was in trouble, and ran to help. I found Raymond, soaked, lying unconscious by the side of the well."

Carrying the boy to the house, Bullis learned from Mrs. Tooker that the other child had been with him.

Pressing the older boy for information about the child, Raymond answered:

"Ronnie is in the well."

Bullis dashed back to the well, saw a few bubbles, and plunged into the water to drag out the lifeless form of the 3-year-old.

Despite efforts of a physician, San Carlos police and Redwood City Firemen William Hart and Willis Leslie, who worked over the boy with an inhalator for 45 minutes, the lad could not be revived. He was believed to have been in the water 20 or 25 minutes.

LEGAL

Kincaid & Fitzpatrick, Attys.
NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE
No. 8492—Dept. No. 2

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of AGNES A. BENNETT, Deceased.

NOTICE IS HEREBY GIVEN that the undersigned executrices of the last will and testament of the above named decedent will on or after the 29th day of January, 1940, offer for sale and sell at private sale to the highest bidder or bidders for cash in lawful money of the United States, and subject to confirmation by said Superior Court, all the right, title, interest and estate of said decedent at the time of her death, and all the right, title and interest that the estate of said decedent may have acquired other than or in addition to that of said decedent at the time of her death, of in and to all those certain lots, pieces or parcels of land situate in San Bruno, County of San Mateo, State of California, and bounded and described as follows, to-wit:

Lots numbered Thirty-three (33) and Thirty-four (34) in Block numbered Three (3) as shown on the official map of the Fourth Addition to San Bruno Park, filed in the office of the County Recorder of San Mateo County, Redwood City, California, on the Sixth (6th) day of March, 1906, and recorded in Map Book Four (4), page Fifteen (15), of the Records of said County.

TERMS AND CONDITIONS OF SALE

Cash in lawful money of the United States, ten (10) per cent of bid to accompany and be deposited with bid and balance payable upon confirmation of sale by said Superior Court.

All bids or offers for said real property must be in writing and may be left at the office of Kincaid & Fitzpatrick, attorneys for said executrices, 2010 Broadway, Redwood City, California, or may be filed in the office of the Clerk of said Superior Court, or may be delivered to said executrices, or to either of said executrices, personally, at any time after the first publication of this notice and before making of said sale.

Bids, deeds, escrows, abstracts, title insurance and all instruments of title to be at the expense of the purchaser.

DATED: January 10th, 1940.

LILLIAN BAKKE,
JESSIE COSTA,
Executrices of the last will and testament of Agnes A. Bennett, deceased.

KINCAID & FITZPATRICK,
Attorneys for said Executrices.

Sale of Lots To End Soon

With sale of its first batch of delinquent lots to end Jan. 31, the city council Monday gave considerable discussion in its 3-hour session at the city hall to the problem of disposing of the remaining 50 or so parcels. Upshot was the clarification of rules designed to bring about closer co-operation of brokers with the city's real estate department.

It was decidgd that in the future, no lot would be held for a prospective customer more than 48 hours unless he deposited at least 10 per cent of the sales price with either the city collector or a title company. It was also decided that the fact the lots could be bought through any broker, as well as through City Sales Agent Charles Holt, would be stressed in future advertising.

lots would be sold. Edmonds said that this might result in another dealer losing sale of a lot that was supposedly sold but actually was not.

Any lots not sold by Jan. 31—limit the first advertisement of the delinquent lots placed on their sale—they will be withdrawn from the market until new proceedings can be instituted, and may be higher in price next time, City Manager C. L. Dimmitt explained.

COST OF RECREATION CENTER FACILITIES FOR CITY RAISED

Having counted on starting construction of a baseball field and other facilities on the newly-acquired recreation center site in the O'Dea Tract immediately by means of a WPA project, the Redwood City Recreation Commission received a severe setback Tuesday when appraised of the costs of the work even with the aid of the federal government.

It had been thought that the sponsor's contribution for the grandstand and ball field, which would cost $15,000 would be $4000, but new estimates place the amount of the contribution at closer to half the total cost of the stands because of the large amount of materials involved.

The same proportions will hold true for the three other units in the project, a fence around the entire center site, a sanitary sewer and landscaping (including water system and construction of the field proper).

Because so much of the work countenanced includes high costs for materials, it would be necessary for the city to contribute approximately $15,600 for a $34,000 project, which would include concrete grandstands, fencing, landscaping and a sewer system. The WPA provides all labor in such projects, but little material.

The commission had hoped to be able to start work on the project, in anticipation of securing further funds in the future, but the total of slightly less than $1200 in the Recreation Fund Committee's treasury hardly is enough to begin operations, the commission decided.

An effort is to be made to secure donations for the project, but apparently hopes for securing a usable baseball field for this Summer have been dashed by the estimated cast of the project, Chairman Wyne R. Millington said. Estimates were drawn up by City Engineer R. J. Clark.

The commission continued consideration of the problem until the February meeting.

It also heard a request from Theodore Cole, president of the Stanford Boat Club, for assistance in construction of a float at the yacht harbor which might be used both by the university crew and as a part of the recreation facilities at the harbor. No immediate answer was given by the commission.

Point Roberts, a peninsula jutting into the sea from Canadian territory near Vancouver, B. C., is under the American flag.

SAMMY THE SEAL RETURNS, BUT NOW THE FAREWELL'S PERMANENT

Sammy the Seal, as persistent a land-lubber as ever came out of the sea, met his death Saturday night and today was listed as 1940's second automobile traffic fatality in San Mateo County.

DEATH OF CANARY AS STRANGE AS SEAL'S

Pete, the yellow canary that has sung for many customers of Pete & Mary's Cafe, met an untimely death shortly after noon Monday as strange as that of Sammy the Seal.

The little bird was placed—in his cage—outside the cafe to get some sun.

A cook heard a commotion a few minutes later. Rushing outside with a broom, he arrived just in time to see another bird, evidently a sparrow hawk, reach through the cage bars and bite off the head of the canary.

The persistent little fish-hunting mammal who took off across country Friday morning after an outgoing tide left him stranded in a slough near Bayshore Hwy., apparently suffered a frustration. His curiosity about dry land and what was on the other side of the highway brought about his end.

Capt. E. F. Cassell of the California Highway Patrol was notified by his men Saturday night that an accident had left Sammy's body crushed within his sleek skin. The captain investigated personally, and saw the body on the East side of the highway near the north Redwood City limits where a slough crosses under the highway through a culvert.

What eventually happened to the body of the seal, no one seems to know. Several reported seeing it Saturday night and another early Sunday.

Sammy's first visit to Redwood City last Friday was cut short when he was lured into a box by fish bait provided by Police Chief C. L. Collins. He was taken to the waterfront and dumped into 40 feet of water. Onlookers saw his flippers headed toward the city and feared the worst.

The worst happened.

Sammy tried to land in the thick of high speed traffic—no respecter of misplaced sea mammals. It was a plain case of hit-run, the captain reported. No motorist reported having struck Sammy. None stopped to give him aid. Vale, Sammy.

Maybe he was coming back for more of Chief Collins' fishes.

Poor little feller!

In the decade between 1928-38, 54,800 tons of dried apples, valued at $8,380,000, were produced in the Pajaro Valley.

Physicians Establish Speakers' Bureau

SAN MATEO, Jan. 17 — Decision of the San Mateo County Medical Society Board to establish a speakers' bureau was reached today at the first meeting of 1940 held at Mills Hospital.

Dr. Carl D. Benninghoven, chairman of the board, said that the bureau would provide speakers for county organizations which wish information on medical subjects.

Also discussed at today's meeting was the county's medical society dinner which is to be held at the Benjamin Franklin Hotel here next Wednesday evening. Speakers are to be Dr. Charles Dukes, Oakland, president of the California Medical Society; Dr. George Kress, secretary, and Dr. C. Kelly Canelo of San Jose, councilman for the state society.

Italian Council Elects Officers

New officers of the San Mateo County Council of Italian Clubs, elected at a meeting in Liberty Hall in Redwood City Tuesday, are J. Di Biase of Daly City, president; Frank Perry of San Mateo, vice president; C. S. Grandi of Redwood City, secretary-treasurer, and Louie Moriconi of San Mateo, sergeant-at-arms.

Retiring Secty. Lillian Intoschi was commended for her work.

Final arrangements were made for the fifth annual banquet, to be at Nerli's Place at Princeton-by-the-Sea, four miles north of Half Moon Bay, on Sunday, Feb. 4, at 2 p.m. Price of tickets is $1.25. Dancing will follow the dinner.

The American petroleum industry alone spends $12,000,000 annually for research.
